    class UIView {
    }
    class SFBlackView {
    }
    UIView <|-- SFBlackView
```

The diagram illustrates a class hierarchy. At the top is a white box representing the 'UIView' class, divided into three horizontal sections. Below it is a gray box representing the 'SFBlackView' class, also divided into three horizontal sections. A blue arrow with an open triangular head points from the top section of 'SFBlackView' to the bottom section of 'UIView', indicating that 'SFBlackView' inherits from 'UIView'.
