

std::streambuf

```
classDiagram
    class std_streambuf["std::streambuf"]
    class LogcatStream {
        - m_message
        + LogcatStream()
        + overflow()
    }
    std_streambuf <|-- LogcatStream
```

The diagram illustrates a class hierarchy. At the top is a white box representing the `std::streambuf` class, divided into three horizontal sections. Below it is a grey box representing the `LogcatStream` class, divided into three horizontal sections. A blue arrow points from the top of the `LogcatStream` box to the bottom of the `std::streambuf` box, indicating inheritance.

LogcatStream

- m_message

+ LogcatStream()

+ overflow()
